

e RESIDENCY

YOUR ONLINE ACCESS TO KAZAKHSTAN'S OPPORTUNITIES

01. Downloads the app

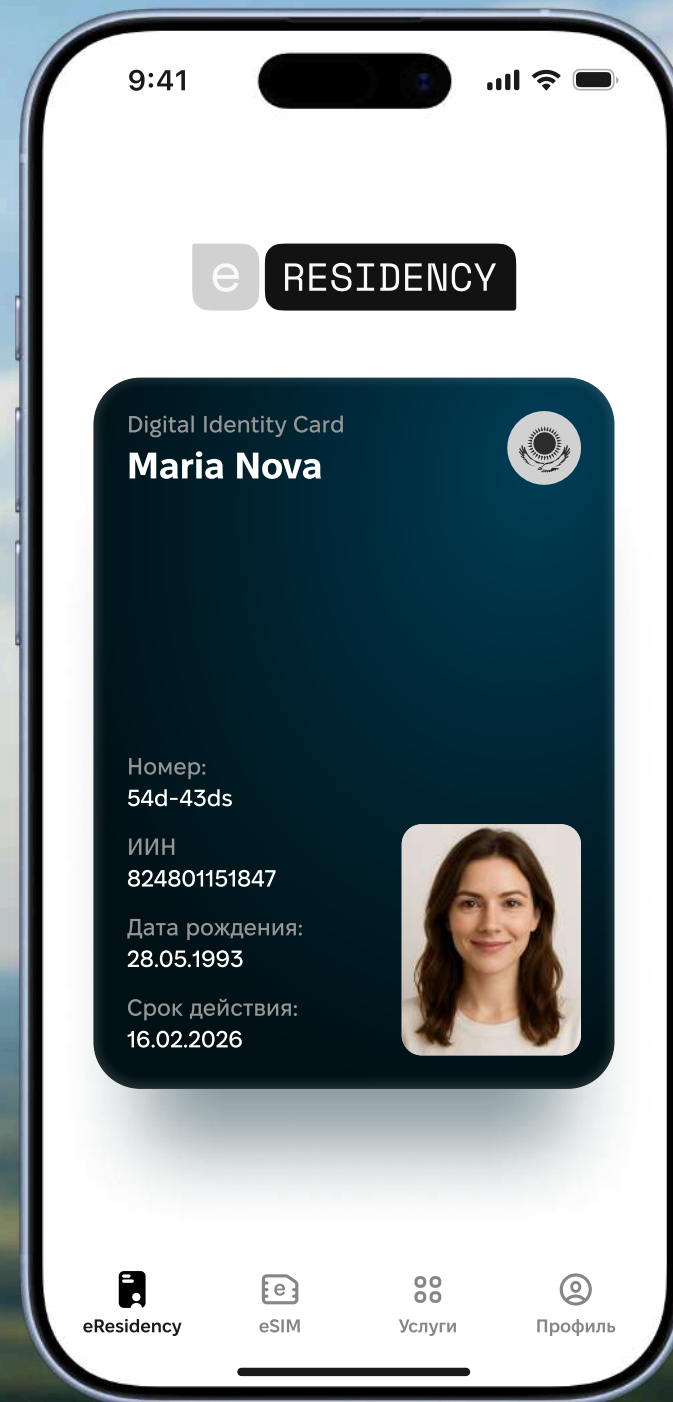

Available on Google Play and App Store

02. Complete a simple registration

Just enter your email and confirm it with a code – and you're all set

03. Choose a convenient payment method

You can pay easily with a bank card or even with crypto transfer

04. Pass quick and easy verification

You'll need a biometric passport with an NFC chip. The entire process usually takes just a few minutes

05. Activate your eSIM

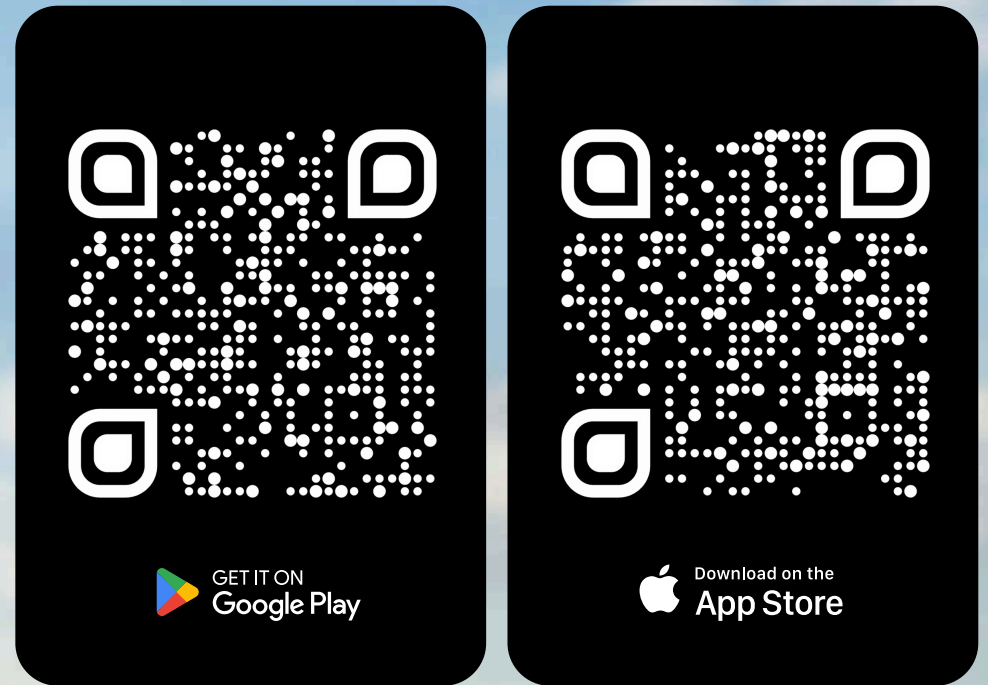

Your new number may be used by banks for communication and transactions verification

06. Wait for your eResidency to be issued

We are verifying your information and issuing your Digital ID card and e-resident IIN. This usually takes up to one business day

07. Done

You are now an eResident of Kazakhstan and have digital access to Kazakhstan's banking and business services – no matter where you are

Services are available remotely

-  Open a bank account
-  Online business registration
Coming soon
-  Open brokerage accounts
